

CERTIFICATE OF FEE EXEMPTION  
CALIFORNIA DEPARTMENT OF FISH AND GAME  
(De Minimis Impact Finding)

**Project Name  
and Number(s):**

Mingo; TPM 20829, Log No. 04-02-106

**Location:**

270 Palomino Road, Fallbrook, CA 92028

**Description:**

The project is a Tentative Parcel Map to subdivide a 1.41-acre parcel into four parcels and a remainder.

**Exemption Findings:**

1. The San Diego County Department of Planning and Land Use has completed an Environmental Initial Study for the above referenced property, including evaluation of the proposed project's potential for adverse environmental impacts on fish and wildlife resources.
2. Based on the completed Environmental Initial Study, the Department of Planning and Land Use finds that the proposed project will not encroach upon wildlife habitat area, will have no potential adverse individual or cumulative effects on wildlife resources, and requires no mitigation measures to be incorporated into the proposed project which would affect fish or wildlife.

**Certification:**

I hereby certify that the public agency has made the above findings and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.
